## **Council President to Attend Statewide Summit on Global Warming**

Council President Scott Peters will address this week's statewide climate protection summit for city and county leaders, sponsored by the League of California Cities, San Diego Gas & Electric, the San Diego Foundation, Green Cities California and the City of San Diego.

**Thursday, September 4**  
**8:30 a.m. to 5:00 p.m.**

**Caltrans District 11 Administrative Office**  
**4050 Taylor Street**  
**San Diego, CA 92110**

The day-long workshop focuses on the intent and impact of Assembly Bill 32, sponsored by State Assemblymember Fabian Núñez and signed into law by Governor Schwarzenegger in 2006. This landmark legislation mandates that all greenhouse gas emissions in California be reduced to 1990 levels by the year 2020. Summit executive and breakout sessions focus on the ways in which the new law affects local planning and land use laws and what costs are associated with the mandated changes.
